## Dialogue with Student

At the outset, warmly congratulations on behalf of Dnyanopasak Pariwar ! Constantly devoting for knowledge from 1984, Dnyanopasak College has made its own identification on the national and international level by devotedly preserving the motto 'Let noble thoughts come to us from every side'.

Dnyanopasak, in the concept of honorable Adv. Ganeshrao Dudhgaonkar, Ex. M.P. and the President who is constantly dedicating not only in the field of education but also in all the social fields with the grateful feel of returning the social debt, has been recognized as the centre of knowledge and creativity.

The college has been multi dimensionally evaluated by the UGC and the NAAC. The college is awarded with 'B+' grade by the NAAC in 2024. The Swami Ramanand Teerth University has awarded with Excellent College Award for being outstanding College in the urban area during the academic year 2011-12.

Dnyanopasak Shikshan Mandal's college is based on the fundamental capital of highly educated, cultured, concerning, research-oriented teaching community dedicated to give innovative knowledge and service-oriented teaching non-teaching community. Consequently, the college managed to augment the digital classes so that the students will be able to take higher education along with the students at par with national and international level.

This college is not only working by accepting the role of teaching and learning but it is working with the inherent urge to conditioning socially useful, self-disciplined, self-reliant, self-motivated and all pervasive human being.

As a conclusion of these things and response to the quality education, the UGC has awarded College with Potential for Excellence honor thrice from the academic year 2006-07 to 2009-10 from 2010-11 to 2014-15 and from 2015-16 to 2019-20. It is a matter of extreme happiness that you are taking admission in such a college, however, I am expecting you to be multi dimensional and equivalent to the international competition - a challenging phase of your life.

Hearty congratulations once again and welcome to the college.

**Dr. Shaikh Md. Babar**  
I/C Principal

## THE INSTITUTION

Dnyanopasak Shikshan Mandal, a registered society, opened its College of Arts, Commerce and Science, at Parbhani in 1984 with the sole aim of offering higher education and provide educational facilities in this educationally backward region. Taking into account the needs of the youth in the region, new courses of study have been introduced for the first time in the district by the college. The College devotes continuously for the two basic tenets of higher education in the country namely discipline and academic development among the students. The Institution, from the day of its inception, attracted rural youth whose quest for learning is being properly satisfied by paying individual attention and by directing his/her energies to creative and constructive activities. University Grants Commission, New Delhi has adjudicated this college as COLLEGE WITH POTENTIAL FOR EXCELLENCE during X<sup>th</sup> plan period. Recently, the college is sanctioned 2.00 crore rupees fund by RUSA for infrastructural and academic development. The aim of the Institution also includes the building up of a morally sound and socially vigorous community of learners who, in future, will bear the responsibilities in the fast growing complex society. In fact the institution has trained the incumbent in such a manner to attain all pervasive prosperity.

The institution, started with meager 9 teachers and 51 students, has grown by leaps and bounds with a strength of 2709 students and 136 teachers in 2021-2022. Likewise the college has now grown into a premier institution of higher learning, offering Under-graduate and Post-graduate courses in various disciplines under the faculties of Arts, Commerce and Science. The strength of PG students is constantly increasing and the college has well equipped laboratories housed in a three storey building with all facilities like internet, wi-fi campus and air-conditioning and digital classes.

The Library has more than 799500 books for circulation and subscribes to about 6000 online journal and 130 National and International journals including Indian Science Abstracts, Indian Journal of Chemistry, Indian Journal of Pure & Applied Physics, Indian Journal of Experimental Biology, Journal of Astrophysics & Astronomy, Journal of Earth System Science, Journal of Accounting & Finance, International Journal of Comp. Science & Info. Technology, International Journal of Mathematics & Computer, International Journal of Earth Science, Engineering and Literature.
